SEAT SAFETY INFORMATION

Last Updated: 2/06

The following are a combination of Safety Alerts, Bulletins, and informational notices that have been issued for the BLM National SEAT Program.

AVIATION SAFETY ALERTS:
USDOI Aviation Safety Alerts can be found on the USDOI Aviation Management (OAS) web site under the Aviation Safety at:
http://www.oas.gov/oassafty/index.htm

- **USDOI Aviation Safety Alert 2002-03:** *Acceptable Procedures for the Mixing and Loading of Retardant into SEAT Aircraft.*

AVIATION ACCIDENT PREVENTION BULLETINS:
USDOI Aviation Accident Prevention Bulletins can be found on the USDOI Aviation Management (OAS)web site under the Aviation Safety at:
http://www.oas.gov/oassafty/index.htm

- **USDOI Aviation Accident Prevention Bulletin 2005-03**:
  SEAT – Fuel Management

AVIATION TECH BULLETINS:
USDOI Tech Bulletins can be found on the USDOI Aviation Management (OAS) web site under the Technical Services section at:
http://www.oas.gov/dts/index.htm#Tech%20Bulletins

- **USDOI Tech Bulletin 2003-04:** *Emergency Drop Systems*
- **USDOI Tech Bulletin 2005-01:** *SEAT – Induction Air Filters*

USDOI BLM OPERATIONS ALERT:
The Operations Alert System was designed to provide the field units and personnel with critical operational information in a timely manner. The alerts are intended to respond to emerging issues as identified through recent SAFECOMS, SAFENETS, after action reviews, etc. They can be found on the BLM National Aviation Office web site under the Aircraft Operations section at: http://www.aviation.blm.gov/airops.htm

- **USDOI Bureau of Land Management, Office of Fire and Aviation 2005-01**
  SEAT – Current ASM / Lead Procedures
- **USDOI Bureau of Land Management, Office of Fire and Aviation   2005-04**
  SEAT Operations (SEAT Managers / Safety Discussions)
- **USDOI Bureau of Land Management, Office of Fire and Aviation   2005-05**
  Airtanker / Helitanker Effectiveness

SAFECOM:
An additional source of safety information can be found by searching the SAFECOM web site at: http://www.safecom.gov/
Click on "Search SAFECOMs", select: "Aircraft Type", "Agency" and the "Fiscal Year".
The SAFECOM data base will display all SAFECOMs submitted for the selected year and agency.
